

COVID-19 RELEASE FORM

Guidelines & Agreements

BARCLAY Safety Requirements in Regard to COVID-19

I understand that it is a privilege to enter BARCLAY Performing Arts during this time. My child and I agree to the following agreement below to continue to be able to participate in the in-studio program.

Guidelines

1. I have obtained a clean bill of health and/or negative COVID-19 test and submitted this to BARCLAY. If I have not been able to obtain either of these things, I will take a rapid test, which I agree to be administered by a BARCLAY Staff Member on the BARCLAY Studio site, for \$30.*
2. I agree that if my child shows any symptoms or signs of COVID that they may be asked to be promptly picked up from the BARCLAY Facility, and/or they will stay home and join on a Virtual Platform.
3. I agree to follow all mandate policies, inside and outside of BARCLAY, including; social distancing, mask wearing, and quarantining when not involved in mandatory activities, to remain safe for the greater BARCLAY community.
4. To inform BARCLAY of any out of town or state travel that could welcome contamination, previous to the travel taking place.
5. I agree to having my child's temperature checked & hands sanitized by BARCLAY sanitization standards upon arrival.
6. I agree to the no student cell phone policy enforced by BARCLAY once inside the studio and that there is currently a BARCLAY Staff member monitoring the office phone line during all class and rehearsal times if a parent to student contact must be made. This office line is 561.344.5082.
7. I agree that no student will use another student's photo on social media taken within BARCLAY walls without direct consent from BARCLAY Management.
8. I understand and agree that, until further notice by Palm Beach County mandates, my child will have no physical contact with other children and that they will need to follow CDC handwashing procedures regularly in order to maintain their time inside the BARCLAY Facility.
9. I understand that any variance or violation of these regulations means that my child may be excused from in-studio programming without refund. In certain circumstances, my child may be welcome on a Virtual Platform, at the discretion of the owner.
10. I understand that only the registered students of BARCLAY Programs & BARCLAY staff will be allowed inside the facility at any time until further notice. Parents are welcome to enjoy the outside bistro area before, during & after programming.

*Disclaimer

The SARS-COV-2 Rapid Test that will be administered by a BARCLAY Staff Member involves a small finger prick and results will present themselves within 10 minutes. These tests come from a medical provider and are proven to be 99% effective. The SARS-COV-2 Rapid Test shows, with a positive result, that the person tested is either recovering from, or has had a previous COVID-19 infection.
