WHAT YOU GET with your Enrollment & Registration

At BARCLAY, we focus on developing a professional, dynamic, inclusive, and safe training environment where students and their families can grow skills across four different arts departments while also enjoying being a part of our passionate and supportive arts community. *Beyond top-tier classes & shows led by our teaching team of professionals, benefits of your enrollment and annual \$50 registration fee at BARCLAY include:*

Early Drop-Off & Late Pick-Up for Students

We know it's hard to get everywhere, and it's also nice to spend time with your friends before or after a class. We offer a community space where students can arrive a bit early or stay a little later as well as enjoy the space between classes. Pull up a stool and enjoy the Cafe Bar & Lobby, get some homework done, review your material, or play in the toy & craft corner! We are happy to have the time with you.

Classes Operate Full Time All Semester We understand that it's hard to have gaps in your training and it can be difficult for guardians to continue to fill days with no school. While we honor our students absence for any holidays, our facility stays open every day of the semester with the exception of Thanksgiving week! Operating rain or shine, you can always count on us to get the best value for your class packages with the most time to maximize your training and enjoyment of our community and space.

Your BARCLAY T-Shirt, Trial Classes, BARCLAY Sticker, Student Account App, and Digital Welcome Packet, Handbook & Calendar! Nothing like feeling part of the team! Your BARCLAY Annual Registration fee includes all of the above and MORE, as well as your BARCLAY uniform shirt to add to your collection and wear to rehearsals and classes. It also serves as your pass to try any class once before committing!

Invitations to & Special Pricing at Community Events Being a part of a community is important! Be the first to know about community events & shows and receive special BARCLAY Student pricing at select events!

Guidance & Support Whether you're a guardian or a kid, everyone needs help sometimes. At BARCLAY, we make it a point to get to know each of our families and students personally so that we can assist in guiding them, whether it be through their own professional tracks or personal needs. We invest in the total person and their support group. By being at BARCLAY, you are part of the family.
